

PREP KC virtually connects industry experts with classrooms to expand students' career exposure and bring real-world relevance to learning. We are committed to inspiring students through the Connector program and we want you to share your expertise and job skills with students.

Follow these easy steps to get started today!

Sign Up Today

Sign up: Go to <https://prepkc.nepris.com/> and click 

Select that you work for a company/agency and fill out the fields to create your profile. You can always update your profile by clicking  on the left side of your dashboard.

PRO TIPS

- Add **2+ skills** to your profile so we can find matches for your skills & interests, including languages you speak
- Include a **profile picture** & a **short bio** to let teachers know more about you
- Include "PREP-KC" under "Affiliations" to link our membership

How To Inspire

Teacher Requests:

Click "Browse Volunteer Opportunities" under SESSION to view & search requests for volunteers. Once you find one that is a good fit, click  and choose your best time. Our support team will guide you from there.

Industry Chats:

Create a session on a topic of your choice for multiple classrooms to join virtually. Click "Upcoming Industry Chats" under SESSION to see examples from others, or click "Offer A Live Industry Chat" when you're ready to create your own.

- Industry Chat examples: resume review, mock interview, topic discussion, or virtual tour
- Submit your Industry Chat at least 3 weeks in advance for maximum impact
- Create an Industry Chat series to show your organization's activities, careers, & more

PRO TIPS

want more tips?

Click on "Review Checklist" from the left panel of your Dashboard for additional resources to get set for an inspiring classroom connection!
