

INDUSTRY VOLUNTEERS QUICK START GUIDE

powered by nepris

PREP-KC's Connector will virtually connect industry experts with classrooms to expand students' career exposure and bring real-world relevance to learning. We are inviting you to use the Connector to inspire and inform our students!

Follow these easy steps to get started today!

Sign Up Today

Sign up: Go to <https://prepkc.nepris.com/> and click

Sign Up for Free!

Select that you work for a company/agency and fill out the fields to create your profile. You can always update your profile by clicking on the left side of your dashboard.

PRO TIPS

- Add **2+ skills** to your profile so we can find matches for your skills & interests, including languages you speak
- Include a **profile picture** & a **short bio** to let teachers know more about you
- Include "PREP-KC" under "Affiliations" to link your membership

When there is a **match** to your skills, you'll get an email asking you to look at a teacher request. Click the links to see the request and accept if it works with your schedule. Our support team will guide you from there.

Yes, Sign me up as Presenter

How To Inspire

You can also explore PREP-KC teachers' requests for virtual volunteers: From the Dashboard, go to the "Session" tab and click on "*Browse Volunteer Opportunities.*"

Schedule an Industry Chat to simultaneously connect with students from across the country about the topic of your choice. From the Dashboard, click on "*Offer Industry Chat*" from the left panel and then follow the prompts

- Check out our Video Library to see examples from past virtual sessions. From the dashboard, click Session > Browse Video Library and search for anything!
- To see requests within Nepris, click the red X on the PREP-KC filter from the left side of the Volunteer Opportunities page...

PRO TIPS

want more tips?

Click on "Review Checklist" from the left panel of your Dashboard for additional resources to get set for an inspiring classroom connection!
