

Connecting TEACHERS with INDUSTRY PROFESSIONALS in EVERY CLASSROOM

HOW IT WORKS FOR EDUCATORS

- ✓ Bring classroom lessons to life with virtual show and tell
- ✓ Expose students to STEAM (Science, Technology, Engineering, Arts, and Math) related jobs
- ✓ Inspire students through role models bringing the workplace to the classroom
- ✓ Virtual field trips creating moments of discovery

HOW IT WORKS FOR COMPANIES

- ✓ Share skills without leaving the office
- ✓ Reach more classrooms effectively online from anywhere at anytime
- ✓ Track employee engagement and workforce development
- ✓ Share contributions among networks

POWERING SUSTAINABLE COMMUNITIES

- ✓ Power regional ecosystems by breaking down barriers between the education and business sectors
- ✓ Identify, curate, connect, and manage local employer engagement
- ✓ Build self-sustaining communities with proven, actionable data
